Ms. R. Whitfield
Facilities Director
Alder Court Estates
12 Beacon Terrace, Portsmouth PO2 8LL

Dear Ms. Whitfield,

Thank you for meeting our site team last Thursday. The visit confirmed that the planned maintenance schedule for Alder Court can begin in March without disturbing tenants.

Enclosed with this letter are the signed service receipt and the invoice for the replacement valve assembly.

Our engineers will arrive before eight in the morning, so the loading bay should be clear the evening before. If the parking permit for the service van has expired, please tell the front desk and we will issue a new one the same day.

The revised contract rate applies from 1 March 2027 and is fixed for twelve months. No other terms change.

Yours sincerely,

T. Marsh
